The 4 HAL Progression Work Skype Sessions

Over a period of 2-4 month (depends on whether you choose to have 1 or 2 per month), we work together within the platform of 4 HAL Progression Skype Sessions from which you can unfold your version of the progression & activation process.

I will function as a coach and facilitator to support your processes of change and new habits.

The 4 Skype Sessions

The duration of each Skype Session is set to 1-1½ hour. You can record the session using the option Skype offers. However, this recording is private and should not be shared with anyone else. It is only for your private use.

After each session, you work on your own to achieve what we have talked about.

Take Notes In Between the Skype Sessions

A good idea is to take notes in between the Skype Sessions. In that manner, you write down the levels of the inner work you want feedback on in the next Skype Session. The goal is not always to give the solutions but to instigate the psycho-energetic process from which you get the push to continue your progression journey.

The Terms for the Payment

You begin with paying the fee of 500 EUR for the HAL Progression Skype Sessions via the HAL Academy Webshop. All is included. Then a welcome email will be sent to you on the email address, you have used on PayPal.

In the email, I give instructions on terms and conditions, my Skype name, and possible dates for the Skype Sessions. You will get multiple options to choose from.

Please notice, the Skype Sessions will not be offered right away with the payment. Dates must be agreed upon, so you might end up paying a month or two ahead.

The sessions will be placed on either workdays or in the weekend at 8pm Danish time.

Check out your time difference here https://www.worldtimeserver.com/current_time_in_DK.aspx

Cancellation

The appointment can be cancelled latest one day before the scheduled talk and rescheduled into a new meetup. Naturally, if you are sick, on the day in question is all right too.

Should you fail to meet up at the appointed time without one days' notice, there will be no rescheduling and the payment for the session is lost.
