The HAL Academy Online Courses © All Rights Reserved Randi Green

In this course, the overall concepts of the higher order psychological work are laid. Here we work with the Principles, the Rules and the Laws again, from a new angle, as well as looking into the lower order fields of our constitution. The Future Human Project Courses 1-4 cover the next steps of the progression work and why we should do it. The text material and the 40 explanatory videos explain more fundamental and advanced ideas behind the progression work.

The content is provided over 4 months, as a monthly subscription of 125 EUR.

You begin, when you sign up paying the first 125 EUR, with the Future Human Project Course 1. Then, over additional 3 months you will get next set of material sent to you, when I receive the monthly payment of 125 EUR. The monthly payment is automatically paid via PayPal. All in all, 4 payments amounting to 500 EUR. When the 4 payments are done the subscription ends.

- You can leave the FHP Courses 1-4 after having begun, by ending your subscription (and informing me), but you will only have access to the HAL Classes, you have completed and paid for. Ending the HAL Classes should therefore be at the end of a month.

You Do the FHP Courses 1-4 on Your Own

You study the material over 4 months, where the text material will be sent to you via email. The videos are to be accessed on Vimeo, after having accepted the invite to the private group of the month. You will therefore need to create a free Vimeo Account to get access to the videos.

The Monthly Email Q&A

It is possible to write **one** monthly email question to me, which I will answer in the manner that is suitable. However, most will be understood as the classes proceed, and therefore you are to write down all of your questions in a notebook, when you do the classes, and you will discover that most have been answered in the later videos.
