The 2 Email Counselling Sessions – to be done within the 4 months of the FHP Courses

The idea behind the FHP Email Counselling Sessions is to provide new perspectives to everyday life, living with a higher awareness. In each email session, you can ask 1-2 questions seen as counselling questions to the progression work and what the next step could be. The goal is naturally to get you moving further into the progression journey into your version of activated consciousness potentials.

The email session is not a Q&A, but unfold within the lines of how do you change your ways and everyday routine to follow with the new future human project requirements.

The Terms for the Payment

You enroll by subscribing to 4 installments of 75 EUR each. In total 300 EUR.

You begin, when you sign up paying the first 75 EUR, with the Future Human Project Course 1. Then, over additional 3 months you will get next set of material sent to you, when I receive the monthly payment of 75 EUR. The monthly payment is automatically paid via PayPal. When the 4 payments are done the subscription ends.

You use the email counselling sessions within the 4-month period (between the first month and the last months payments). After the last month, if you have not used the email counselling option, it will be lost.

The 4 payments are automatically paid via PayPal. When the 4 payments are done the subscription ends.

- You can annul the subscription after the first payment, by ending your subscription (and informing me), but you will only have access to the course material, you have paid for. Ending the subscription should therefore be at the end of a month.

You Do the Course Material on Your Own

You study the material over the 4 months, listening to the podcasts and prepare for the email sessions. The sessions are not a Q&A, but work within the lines of how do you change your ways and everyday routine to follow with the new future human project requirements.
