Overview of the HAL Advanced Energy Work Class

The HAL Advanced Energy Work covers the next steps of the clearing work and why we should do it. The 8 explanatory videos explain more fundamental and advanced ideas behind the holographical-technological clearing work, and they show selections of the attachments we can attract to ourselves, or as part of the prohibiting technologies in our template and energy system.

No Text Material to the Class BUT

Read *the HAL Philosophy* book to get the background of the information given in the HAL Advanced Energy Work Class. A good read to do as well is *the Souls of Humanity*, *Terralogy* and *Modern History*. These books give more ideas and concepts to the clearing work. *Terralogy* gives additional exercises in how to activate the regressed genetics, in order to clear them out. You find them all under HAL Books.

The HAL Advanced Energy Work videos cover the following

- Advanced Energy work exercises taught in the 8 videos.
- Removal of holographic inserts allowing for field intrusion.
- Removal of the snakes in the spine and heart field.
- Removal of Ants, Cubes and more on the prohibiting technologies.
- And other important levels of energy work to clear the humanoid and dysfunctional genetics.
