

The HAL Academy – The HAL Perception Logs Sequence 1

Randi Green © 2022

In the HAL Perception Logs, I share experiences, insights and what I know from the work on the timelines and in the encounters, I have had, to find the answers to most of the questions about our journey as solar system humans.

The Logs go into the past, present and futures to find the answers and what the outcome might be. They are the looking glass of the information behind the knowledge shared in the HAL Academy Classes & the HAL Project. They are also tied into the HAL Project Otherworldly Sciences.

Included in the price are 7 videos (intro + sequence 1-6), plus 4 videos from YouTube since they are linked to the sequence (that in fact was made for YouTube to begin with but got in too deep, so to speak, and thus became the beginning of the HAL Perception Logs instead). The Perception Logs Sequence 1 videos are NOT posted anywhere.

The duration of the videos is between 35-55 min.

Further information will be explained in the welcome email, along with access to the private Vimeo Group holding the videos.

The 2 Email Questions

You have the possibility of 2 email questions regarding the content of the videos. This offer expires 2 months after the buy. Naturally, the questions are ONLY to the material in the videos and not any personal issues. And if they go too deep, I am not able to answer them either. For both personal issues and the deeper enquiry of the timeline material, you are to do the HAL Sessions.

The Terms of Payment

You get access to the courses by paying the fee of 70 EUR. The fee covers the video material and the 2 email Q&As.

How to Do This

You begin with paying the fee on PayPal. Then, when I get the notification from PayPal, the material is sent to you on the email address, you have used on PayPal. In the email, I give instructions on how to get access to the videos on Vimeo, etc.

If you are new to the HAL Academy Online Courses, you need a free account on Vimeo. Once I get your Vimeo account name – you will send that to me – I will follow you and then I can invite you to the videos. As I write in the welcome email:
