## **The HAL Project Changemaker News & Processes**

*Over the period of 6 months (from July until December 2022) the most important information regarding the changes in our reality field will be put together in this series of podcasts.*

*The subscription payment will change according to when you sign up. For signups in August, you subscribe to 5 instalments (5x36 EUR is your fixed monthly payment) and for signups in September, you subscribe to 4 instalments (4x45 EUR is your fixed monthly payment). In total for all 6 months of podcast 180 EUR.*

*September is the last chance for signups.*

The HAL Project Changemaker News & Processes are relevant for the Changemakers and others ready to deal with the new reality challenges, or, are invested in understanding the changes of our reality field, the factional choices of reality programs (such as the Event Program 3.0) along with the higher order reality sciences to back the understanding of these jurisdictional choices.

Included in the price are minimum 20 podcasts, but the plan is to upload whenever there are new insights to be shared, thus the amount will probably be higher. Some podcasts from the HAL Project Changemaker Course 1 are integrated into the material, since they overlap.

The duration of all videos is between 20-55 min each.

## **The 6 Email Questions**

You have the possibility of 6 email Q&As regarding the content of the videos as part of the subscription. I will respond either via email or an email with a recorded answer. Naturally, the questions are ONLY to the material and not any personal issues. For this you can do a HAL Session, which you find on randigreen.one.

## **The Terms of Payment**

You get access to the podcasts by subscribing to the monthly fee. In total you will pay 180 EUR for podcasts & the 6 email Q&As. The subscription ends automatically when you have paid for the instalments, you signed up for. You can leave the subscription at any time.

*Please beware that if you unsubscribe prematurely, you will be removed from the Vimeo group. However, if you remain subscribed, you will continue to have access to the group and podcasts after the subscription ends in December 2022.*
