## **The HAL Project Network Group in 2021**

*As our world changes into the new setups under the NSEH, the enhanced humans or the incoming humanoids, those of us from the ancient human worlds will have to learn to navigate through the different timelines, jurisdictions and alternate realities into which we are to attempt to produce a meaningful living, as well as attempting to create our own business, following our HAL Awakening Process (look into the HAL Continuation Class 1-2 for further insight on this).*

## **The HAL Project Network News**

The idea behind this group is to provide the needed information unfolded over the month in the HAL Project Network News uploaded on Vimeo in a private group. When you sign up, you get access to this group and you can, at any time, go into it and access the HAL Project Network News videos.

These videos will recapture what is going on, similar to the type of information given on YT as well as in the HAL Integration Classes, but here focused on the relevant news in 2021 to enable us to get going with our chosen path of progression. The purpose is to give an overview of the changes and from this, assist you in your energy work and ideas to do your own developmental processes.

## **The Monthly Skype Meetup at 8pm Danish time**

We meet up over Skype in a group call the last Sunday in the month, at 8pm Danish time, from August-December 2021. We discuss the information in the videos etc.

*Remember to check for DST.*

- Each meetup has the duration of 1-2½ hour, all depending on the activity of the group.
- The quality of the meetups depends on the group entirely, since it is up to the group members to present thoughts and ideas on the information provided in the videos. Not in the form of questions, but in the form of thoughts derived from working with the material.
- **To ensure the highest energy in the call, it will not be possible to discuss personal issues or relate to experiences with other people. Talking about other people will invite whatever they hold to the meetup, because what we give energy will be drawn to us.**

## **The Terms of Payment**

You sign up by subscribing to a monthly payment of 95 EUR. It begins when you sign up, and is set for 5 payments (February to June), where you will pay 95 EUR each month. The monthly payment is automatically withdrawn from PayPal.

Once the 5 payments are done, the subscription ends automatically.

**The last date for signup is July 21<sup>th</sup> 2021.**

**Access to all the videos will be available in the private Vimeo group.**

- You can leave the HAL Project Network Group at any time, by ending your subscription (and informing me), **but then you will not be able to access the HAL Project Network News** on Vimeo. This access ends with an early termination of subscription.
- If you complete the monthly payments fitting your subscription, you will have access to the 2021 HAL Project Network News videos afterwards.
