

The HAL Academy – Living with the New Reality Week 10-19

Randi Green © 2022

During the different weeks of 2022, I am going to share experiences, insights and what I get from the work on the new reality timelines and from the encounters with the new lot that are entering our system under the Blend, leading to the Merge. I dig deep into what I get to find the answers and solutions to the challenges, the new reality dynamics and 5-year bifurcation programs pose to us.

The new reality upgrading work, we are to become part of, is not always in our best interest and we need to be on top of our own density energy system (as part of the transformative energy system explained in the HAL Transition Courses) and how we stay on top of the progressive configuration matching our template.

In the HAL Advanced Clearing Work Courses, I explain the deeper implications of the energy work, we have to do to stay on top of the constant reconfigurations, we are forced into and under. Thus, along with the HAL Transition Science Courses (and the HAL Advanced Clearing Work), these weekly updates and insights provide the extra level of information needed to connect the dots.

Included in the price are minimum 9 podcasts, but the plan is to upload whenever there are new insights to be shared, and thus the amount will probably be higher.

The duration of the videos is between 25-55 min.

Further information will be explained in the welcome email, along with access to the private Vimeo Group holding the videos.

The 2 Email Questions

You have the possibility of 2 email questions regarding the content of the videos. This offer expires 2 months after the buy. Naturally, the questions are ONLY to the material in the videos and not any personal issues. And if they go too deep, I am not able to answer them either. For both personal issues and the deeper enquiry of the timeline material, you are to do the HAL Sessions.

The Terms of Payment

You get access to the courses by paying the fee of 90 EUR. The fee covers the podcasts and the 2 email Q&As.

How to Do This

You begin with paying the fee on PayPal. Then, when I get the notification from PayPal, the material is sent to you on the email address, you have used on PayPal. In the email, I give instructions on how to get access to the videos on Vimeo, etc.

If you are new to the HAL Academy Online Courses, you need a free account on Vimeo. Once I get your Vimeo account name – you will send that to me – I will follow you and then I can invite you to the videos. As I write in the welcome email:
