Overview of the Course the Advanced Clearing Work with the Emotional Field (course 1)

From the introduction to the videos 1-6, I use the illustrations from the Advanced Work with the Emotional Field to explain the advanced clearing work, and there add more layers to the Advanced Work with the EMOF material. Because of that, the entire material from the previous course is presented below, although this course develops the material further. In the final video, I discuss the deeper layers of the emotional field, which will lead to Course 2 in this series.

Included in the course material are 8 videos, of which 1 is the introduction, the final video sums things up, and 6 videos explain the text material in details. The course material will be sent to you in the welcome email, along with access to the private Vimeo Group holding the videos.

The Advanced Clearing Work EMOF Course 1

I use the illustrations from the course Advanced Work with the Emotional Field, and although the illustrations are the same, the explanations are completely new. We need a practical angle to the theoretical work, which was laid in the HAL Transition Science Courses. In the Advanced Clearing Work Courses, we take the theories into practical use to enable us to develop our energy system to meet up with the changes and challenges of the new reality.

The duration of the 8 videos is between 35-60 min each.

The 2 Email Questions

You have the possibility to write 2 email questions to me regarding the text material or the content of the videos, while you do the course. Naturally, the questions are ONLY to the material of the course and not any personal issues. For this you are to do a HAL Session with me.
