Overview of the Course the Advanced Emotional Field Work

In this online course, we work with the advanced levels of the psychic-energetic work with the emotional field. We are going to explore the connections between the original reality fields and the lower emotional field, as well as how this affects the cellular structure. This information will be important in the next levels of energy work and needed to meet up with the dynamics of the transition to come.

Included in the course material are 10 videos, of which 2 are introduction and summery, and 8 videos explain the text material in details. The course material will be sent to you in the welcome email, along with access to the private Vimeo Group holding the videos.
