

The HAL Academy – The Advanced Work with New Rotundum

Randi Green © 2021-2022

Overview of the Course the Advanced Work with the New Rotundum

In this online course, we explore the connections between the original reality fields and our experience of the outer-inner realities, as well as how these dynamics and energies affect our energy fields. We can get this via the advanced daily Rotundum Work. This information will be important in the next levels of energy work, as we move deeper into the terrestrial transition, as it rolls out, and our solar system goes into its last phases.

Included in the course material are 10 videos explaining the text material in details. Other relevant videos from the HAL Club Cycle 2 and YouTube are included as well, since they provide background information for the class material, as we moved from the energies of 2021 and into 2022.

The course material will be sent to you in the welcome email, along with access to the private Vimeo Group holding the videos.

The Advanced Work with the New Rotundum

Holds 10 videos and text material:

Content

- The LPRF1 Reality Fields - the Foundation of the Energy Systems
- The Advanced Work with the New Rotundum
- The Daily Energetic-Dynamic Transformative Processes
- Self-Scan and Innovation in the Advanced Energetic-Dynamic Work

The duration of all videos is between 35-55 min each.

The course starts out with an introductory video and then go into the HAL Transition Science approach to the advanced work with the false reality energies, as we see them reflected in the cyclic dynamics of our solar system, along with the inner work we need to do to maintain the harmonic-energetic balance in our energy system, which is important in our clearing and repair work.

Important

To fully understand this course, the other HAL Transition Science Courses must have been completed, since they provide the background for the information used in this course.

The 2 Email Questions

You have the possibility to write 2 email questions to me regarding the text material or the content of the videos, while you do the course. Naturally, the questions are ONLY to the material of the course and not any personal issues. For this you are to do a HAL Session with me.

The Terms of Payment

You get access to the courses by paying the fee of 125 EUR. The fee covers the course material and the 2 email Q&As.

How to Do This

You begin with paying the fee on PayPal. Then, when I get the notification from PayPal, the material is sent to you on the email address, you have used on PayPal. In the email, I give instructions on how to get access to the videos on Vimeo, etc.
