Overview of Understanding the Background Course 1

The Systemic-Energetic Updates are short overviews of the otherworldly attempt to prolong the existence of our reality field. The implementation process of these extra-systemic technologies is part of an attempt to generate the needed time for humanity to do the transition out of the 4th artificial energies and into 4th and 5th dimensions composed of the original outer domain density settings. If we know, what is going on, we can adapt our energy system accordingly to maintain our chosen configuration.

Included in the course material are 10 videos/podcasts (and some extras for free) plus text material, also shown on the HAL Project New Reality Google Site but for the sake of preserving the information in writing – since the News Site will change according to the changes of our reality field – it is here produced as a PDF for the course. The material will be sent to you in the welcome email, along with access to the private Vimeo Group holding the videos. The duration of all videos is between 30-55 min each.

Important

To get the full use of the course material it is a good idea to have completed:

- The Progression Work Material

The 2 Email Questions

You have the possibility to write 2 email questions to me regarding the content of the videos, while you do the course. Naturally, the questions are ONLY to the material of the course and not any personal issues. For this you can do a HAL Session, which you find on randigreen.one.

The Terms of Payment

You get access to the courses by paying the fee of 50 EUR. The fee covers the course material and the 2 email Q&As.

How to Do This

You begin with paying the fee on PayPal. Then, when I get the notification from PayPal, the material is sent to you on the email address, you have used on PayPal. In the email, I give instructions on how to get access to the videos on Vimeo, etc.

If you are new to the HAL Academy Online Courses, you need a free account on Vimeo.

Once I get your Vimeo account name – you will send that to me – I will follow you and then I can invite you to the videos. As I write in the welcome email:

How to Get Access to the Videos

1) You sign up for Vimeo <https://vimeo.com/>

2) Choose the basic and for free membership.

3) Find my account and follow me. Click here: <https://vimeo.com/user40156198>

4) *Please let me know when you have followed me by sending me an email with your Vimeo name.*

5) I will then invite you to the Vimeo Group and you will get an email from Vimeo, inviting you into the group with the videos, either in the message box on Vimeo or directly to the email, you signed up with on Vimeo.
