

The HAL Converging of Timelines Course

Overview of the Course

In 2025-2034 another event is going to unfold. This event, aside from the activation and cleanup of the 2-8 Pillar holographic energy units, holo-imprints and no-longer of use consciousness units from the original Pillar Project running in our solar system as an attempt to undo the effects of the timeline event (another unfortunate result of experimentation with the 3rd cycle energies from the previous universal cycles that went terribly wrong and altered the cycles within the middle and outer domains of our quadrant), aka the Restoration of Sectorial Species Project (for short the Restoration Program).

In this course I go into the details of the article behind the Convergence Material. Also remember to listen to the free podcast series on YouTube and read the article. [Find this here.....](#)

Included in the course material are 7 podcasts explaining in details what the Converging of Timelines is about.

The duration of all videos is between 35-55 min each.

Recommended is to do the Progression Work Courses as well as the DE1 Reconfiguration Course Material.

The 2 Email Questions

You have the possibility to write 2 email questions to me regarding the text material or the content of the videos, while you do the course. Naturally, the questions are ONLY to the material of the course and not any personal issues.

The Terms of Payment

You get access to the courses by paying the fee of 65 EUR. The fee covers the course material and the 2 email Q&As.

How to Do This

You begin with paying the fee on PayPal. Then, when I get the notification from PayPal, the material is sent to you on the email address, you have used on PayPal. In the email, I give instructions on how to get access to the videos on Vimeo, etc.

If you are new to the HAL Academy Online Courses, you need a free account on Vimeo.

Once I get your Vimeo account name – you will send that to me – I will follow you and then I can invite you to the videos. As I write in the welcome email:
