

# The HOPE DE1 Work Course 1

## – The DE1 Reconfiguration of the Lower Fields

### **Overview of the Basic or General Level Course 1**

*In this online self-study course, we work with the 3 lower fields, as we are to work with them to match the DE1 Reconfiguration of our planet and solar system. We investigate the differences in the 3 lower fields of males and females with the old classification (hybrids are engineered differently) so this means the age group born between 1950's to 1999.*

*It is expected that the Advanced Work with the Emotional Field and the Advanced Clearing Work with the Emotional Field, as well as the HAL Basic & Advanced Energy Work Courses are completed. I also refer to the HAL Template Science Courses. It would be a good idea to do the free HAL Integration Classes 5 & 6 as well.*

*A Good idea is to do the Higher Order Systemic-Energetic Awareness Courses on the NR Challenges of the Sun and the Stargates.*

*Included in the course material are 9 podcasts, as in 1 introduction and 8 podcasts explaining the text material in details. Videos from YouTube is included as well, since it provides background information for the class material.*

The duration of all videos is between 35-55 min each.

### **The 2 Email Questions**

You have the possibility to write 2 email questions to me regarding the text material or the content of the videos, while you do the course. Naturally, the questions are ONLY to the material of the course and not any personal issues.

### **The Terms of Payment**

You get access to the courses by paying the fee of 95 EUR. The fee covers the course material and the 2 email Q&As.

### **How to Do This**

You begin with paying the fee on PayPal. Then, when I get the notification from PayPal, the material is sent to you on the email address, you have used on PayPal. In the email, I give instructions on how to get access to the videos on Vimeo, etc.

If you are new to the HAL Academy Online Courses, you need a free account on Vimeo.

Once I get your Vimeo account name – you will send that to me – I will follow you and then I can invite you to the videos. As I write in the welcome email:
