

The HAL Background Videos

The HAL Academy Online Courses © All Rights Reserved Randi Green

In this start-up course, I give a broad overview of the work within the context of our reality and what is going on here. Although the videos were made in June 2017, they represent important information due to the varied concepts and ideas that were presented in the videos, and are therefore part of the HAL Basics.

Overview of Content

The course consists of 9 videos with no text. The information you need is in the videos.

The 2 Email Q&As

It is possible to write **two** email questions to me, while you are doing this course. *This option lasts for two months after the purchase of the course.* I will answer your questions in the manner that is suitable.

However, most will be understood as the classes proceed, and therefore you are to write down all of your questions in a notebook, when you do the classes, and you will discover that most have been answered in the later videos.

HAL Sessions – Strongly Recommended

I recommend that you after, or during, the course do HAL Coaching. You find this option at randigreen.one

The Terms for the Payment

The Text Material and Videos

The videos can be accessed on Vimeo after having accepted the invite to the private group, I will do once you have sent your account name to me. You will therefore need to create a free Vimeo Account to get access to the videos. See more below.

The Steps

- 1) You pay the fee on PayPal.
- 2) Then, when I get the notification from PayPal, the material is sent to you on the email address, you have used on PayPal.
- 3) In the email, I give instructions on how to get access to the videos on Vimeo, but in essence, you need a free account on Vimeo.
- 4) Once I get your Vimeo account name – you will send that to me – I will follow you and then I can invite you to the videos. As I write in the welcome email:
