The HAL Continuation Group Class 2 in 2023

The HAL Continuation Group Class 2 continues the work with the upgrading of our template, and its new appearance under the galactic and universal cycles. It is a continuation of the HAL Classes & Courses, incl. the HAL Integration and Transition Classes.

The HAL Continuation Group Class as HCC2-A or HCC2-B

In the HAL Continuation Group Class 2, we discuss the information provided in the text and video material. We meet up once a month in a Skype group call (from September to December). *You pick one of the HCC2 options, i.e. to join either the HCC2-A (the second Sunday) or the HCC2-B (the last Sunday in the month). You choose, when you sign up and that will be your class for the 4 months.*

In the meetups we discuss the material from a theoretical point of view. I begin the meetups with a lecture on topics relevant for a progression of the material.

The HAL Continuation Group Class 2 consists of 4 meetups, several videos uploaded on Vimeo in a private group and text material sent to you before the class begins. The text and videos provide the background information for the group class.

Some of the Themes

- *What is the galactic and universal level of the template work?*
- *How can we work the Lemurian holographic grids to enforce our energy work?*
- *How do we energize our energy system, using the old methods of Lemuria?*
- *How do we work with the energies of this year, to activate further, i.e. the timelines offered via the current reality setup?*

The Monthly Skype Meetup at 8pm Danish time

We meet up over Skype in a group call once a month, at 8pm Danish time, all depending on what class you attend (HCC2-A or HCC2-B). There will be given a lecture in the beginning of the meetup and then we work with the material of the month. Remember to check for DST.

- Each meetup has the duration of 1-2½ hour, all depending on the activity of the group.
- The quality of the quarterly meetup depends on the group entirely, since it is up to the group members to present thoughts and ideas on the information provided in the videos. Not in the form of questions, but in the form of thoughts derived from working with the material.
- **To ensure the highest energy in the call, it will not be possible to discuss personal issues or relate to experiences with other people. Talking about other people will invite whatever they hold to the meetup, because what we give energy will be drawn to us.**

The Terms of Payment

You sign up by paying the signup fee of 110 EUR. The signup fee covers the first month of the class beginning in September 2023. Then from October and until December 2023, you pay 110 EUR per month using the subscription link sent to you in the email with the class material. The monthly 110 EUR, for the remaining 3 months, will be paid automatically from PayPal. Once all payments are done, the subscription ends automatically.

- You can leave the HAL Continuation Group Class 2 at any time, by ending your subscription (and informing me). Ending the HAL Continuation Class 2 should therefore be at the end of a month.
