The HAL Energy Work Coaching

In a 1-1½ hour private Skype Session, we will do energy work together, from which you can create or adapt your HAL Clearing and Inner Work Methods.

I will function as a coach and facilitator to support your processes of change and new ideas.

The Skype Coaching Session

The duration of the Skype Coaching Session is set to 1-1½ hour. You can record the session using the option Skype offers. However, this recording is private and should not be shared with anyone else. It is only for your private use.

The Terms for the Payment

You begin with paying the fee of 175 EUR for the HAL Energy Work Coaching via the Web shop. A confirmation email will be sent to you on the email address, you have used in the checkout.

In the email, I give instructions on terms and conditions, my Skype name, and possible dates for the Skype Coaching Session. You will get multiple options to choose from.

Please notice, the Skype Coaching Session will not be offered right away with the payment. Dates must be agreed upon, so you might end up paying a month or two ahead.

The session will be placed on either workdays or in the weekend at 8pm Danish time. If you live in Australia, we can work out a noon appointment in Denmark, and thus evening time in Australia.

Check out your time difference here https://www.worldtimeserver.com/current_time_in_DK.aspx

Cancellation

The appointment can be cancelled latest one day before the scheduled talk and rescheduled into a new meetup. Naturally, if you are sick, on the day in question is all right too.

Should you fail to meet up at the appointed time without one days' notice, there will be no rescheduling.

In case that you do not meet up at the arranged time, the payment of 175 EUR will cover the time wasted and there will be no refund.
