

The HAL Academy – HAL Higher Order Senses Course

Randi Green © 2023

In this podcast series with 9 podcasts, I work with some of the obstacles that are in the way of activating the higher order senses. The individual challenges involve the work with the lower order fields and how we can clear these to get to the point, where we can rebuild our higher order constitution. The higher order levels of us contain the consciousness genetics, the original template (Holographic-Energetic Architecture) and higher order energy system. These parts have been hidden from us. We are to figure out how to reconnect to the true parts of us and then put in the needed work to activate them.
