The 2 Email Q&As

It is possible to write **two** email questions to me, while you are doing this course. *This option lasts for two months after the purchase of the course.* I will answer your questions in the manner that is suitable.

However, most will be understood as the classes proceed, and therefore you are to write down all of your questions in a notebook, when you do the classes, and you will discover that most have been answered in the later videos.

HAL Sessions – Strongly Recommended

I recommend that you after, or during, the course do HAL Sessions. You find this option at randigreen.one
