

The HAL Academy 2 Annual Webinars 2022

The HAL Academy Courses © All Rights Reserved Randi Green

Overview

Both webinars begin with a 45 min lecture explaining where we are in terms of our reality and what we can expect in 2022 in the first webinar and in the second webinar, we evaluate the year and look into what to expect in 2023. What that means to our inner and outer work will also be discussed. Then, a Q&A opportunity will be given for the remaining time. I will not answer questions outside the theme of the webinar.

The webinars are done as a private Skype Group Call. The webinars will be held from 8pm to 10pm Danish time on the given date.

How to Do This

You sign up by paying the sign-up fee of 45 EUR for each webinar.

Once I receive the notification from PayPal, I will send you a welcome email with further instructions, using the email address you have used on PayPal.

In the welcome email you get my Skype name for the group call (I create a private group for the purpose and thus not an open invitation, since I have experienced, that outsiders can join).

Thus, you must make contact to me using that Skype name, so I can invite you to the private group.

It is a good idea to have worked with my material before.
