The HAL Integration Class 2

The conceptualization of parallel realities, as well as the complete comprehension of the dynamics of relative reality, new ways of perceiving reality become normal.

However, parallel reality conceptualization (and exercising the double awareness) will foster a sort of parallel psychology, from which we can navigate and integrate the new world-view. Naturally, this will also foster a need to know what to expect, being in a human world of double perception, what to do and how to react.

The HAL Integration Class 2

The HAL Integration Class 2 was originally created as a group class to run over 4 months. In the self-study the 14 videos will be given in one go divided over 3 groups on Vimeo. The text material is collected in one PDF.

The HAL Integration Class 2 revisits the energy work. The goal is to bring up-to-date the HAL Basic and Advanced Energy Work to include the new levels of energy work, some of it to counteract the new holographic world-program under the “new world order” aka the alien hybridization programs, and to fill out some of the gaps in the energy work, which were not relevant in 2017.

The HAL Integration Class 1 consists of 14 videos in total uploaded on Vimeo in 3 private groups and text in PDF. The text material provides a support for the videos but can stand alone.
