The HAL Integration Class 6

Blasting through and summing up all the material into 5+ videos in order to create synthesis and a broad overview of the work. With this class, you then have all the dots to go back into the HAL Classes & Courses and redo them with the end-result in mind and what you are to achieve with the classes. From this, you can begin to create your own ideas and energy work in order to reconnect to your lineage. This is needed for the transition work.

The HAL Integration Class 6

The HAL Integration Class 6 consists of 5+ videos uploaded on Vimeo in a private group. Some of the videos are a repeat from the HAL Academy YT Channel, because these are needed background information for the other videos in the HIC6.

The 2 Email Questions

You have the possibility to write 2 email questions to me regarding the content of the videos, while you do the HAL Integration Class 6. This option counts for 2 months after the purchase of the class.

It is recommended to add a Skype Q&A

You can click on this option, under the HAL Integration Classes.

Please notice the Skype Q&A is NOT for any personal questions - only to the HAL Integration Class Material.

The Terms of Payment

You get the course material by paying the fee of 75 EUR. This includes the 5+ videos and the 2 email Q&As.

How to Do This

You begin with paying the fee on PayPal. Then, when I get the notification from PayPal, the course material is sent to you on the email address, you have used on PayPal. In the email, I give instructions on how to get access to the videos on Vimeo, but in essence, you need a free account on Vimeo. Once I get your Vimeo account name – you will send that to me – I will follow you and then I can invite you to the videos.

Also

The HAL Integration Classes create the last pieces of the work to begin the DE2 Transition Work.
