

The HAL Academy – The New Reality Updates February

Randi Green © 2022

After the transition process of the in our sector solar-stellar-terrestrial trinity systems, any viable system with potentials for life, in our sector, will continue its evolutionary cycles within the original density energies as the lowest point of organic existence. And that is what is coming our way. Energetic upgrades on three fronts. That is bound to have a huge impact on the density 1.

The New Reality Updates give the monthly overview of the changes our world is undergoing - at least for the ones that are able to perceive it.

Included in the price are minimum 4 videos (if there is more to say, shorter videos will be uploaded during the month) as well as the option of 2 email Q&As.

The duration of the videos is between 35-55 min.

Further information will be explained in the welcome email, along with access to the private Vimeo Group holding the videos.

The 2 Email Questions

You have the possibility of 2 email questions regarding the content of the videos. This offer expires 2 months after the buy. Naturally, the questions are ONLY to the material in the videos and not any personal issues. And if they go too deep, I am not able to answer them either. For both personal issues and the deeper enquiry of the timeline material, you are to do the HAL Sessions.

The Terms of Payment

You get access to the courses by paying the fee of 50 EUR. The fee covers the video material and the 2 email Q&As.

How to Do This

You begin with paying the fee on PayPal. Then, when I get the notification from PayPal, the material is sent to you on the email address, you have used on PayPal. In the email, I give instructions on how to get access to the videos on Vimeo, etc.

If you are new to the HAL Academy Online Courses, you need a free account on Vimeo. Once I get your Vimeo account name – you will send that to me – I will follow you and then I can invite you to the videos. As I write in the welcome email:
